# A \$5 ILLUSTRATED BIBLE FOR EVERYBODY

## COMPLIMENTARY PRESENTATION

"A great statesman said: 'No library is complete without two certain books—the Bible and Shakespeare. Hardly a quotation in literature that is not taken from one of these books.'"

Every home needs a Bible, and one of convenient form. To appreciate this great book, it does not necessarily mean that one must be a church member or a religious man or woman, but it should be available for every one and often referred to, and often read here and there as the most interesting of all books, as the book under the teachings of which the wonderful development of civilization has been accomplished. It matters not how many Bibles you may have, you will also need this Illustrated Bible which illuminates—I. e.,—"throws light upon"—the particular text selected for illustration, and is beyond doubt the most beautiful edition of the Bible that has ever been published.

Everybody in Belleville will be benefitted by the exceptional educational presentation undertaken by The Belleville Intelligencer. Here is an opportunity for every reader of The Intelligencer to possess this ILLUSTRATED BIBLE (Protestant or Catholic) with practically no effort.

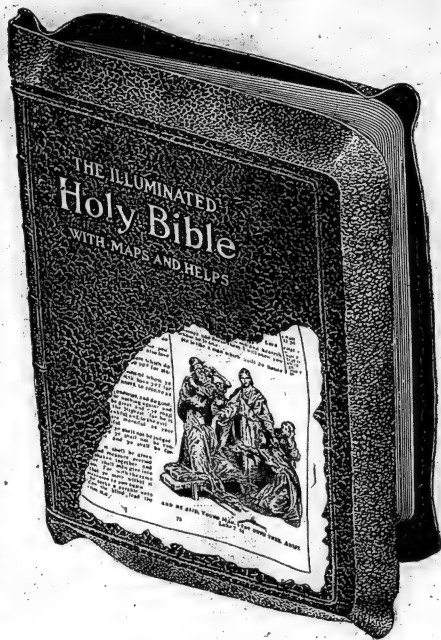

## FOR EVERY READER OF THE Belleville Intelligencer

Therefore the word "illustrated," as applied to a Bible, meant merely a few allegorical "pictures" of Biblical events taken from any source, and conveniently placed in any part of the book, merely as embellishment inserts, but not directly alongside and explanatory of the verse intended to typify or teach plain; but our publishers, at an outlay of \$50,000, prepared accurate illustration DESCRIPTIVE of the VERSE which they accompany, and placed directly next to the verse of the scene described—the only place it can be looked for or found quickly, the only place the illustration is a help to you—making this the FIRST and ONLY complete ILLUSTRATED Bible.

## COMPARISON IS IMPOSSIBLE

For our new Bible stands alone—there is no other of its kind. Therefore, praise of this superb new book means no disparagement of the many excellent editions published heretofore.

Events that have been imperfectly comprehended become invested with the charm of living reality, and places that have seemed far off are made familiar, as though we ourselves had trod the hills and valleys of those historic lands. It may be truthfully said that this really superb edition of the book of books has an important mission to perform, in illuminating and vivifying the Bible narrative and giving it as never before, a present, living, human interest.

## HOW TO GET IT PRESENT SIX CERTIFICATES

Printed only in The Intelligencer—clipped on consecutive days, together with the stated amount that covers the necessary EXPENSES items of this wonderful distribution, including clerk hire, cost of packing, checking, express from factory, etc.

## AND RECEIVE THIS \$5.00 BOOK

This Bible is not a meaningless picture book. The illustrations serve a distinct purpose. They enrich the text, and they do more—they intelligently explain it so that many hitherto obscure passages assume to thousands a new meaning, through these eye-teaching pictures.

## 600 TEXT PICTURES—TISSOT FULL PAGE PLATES IN COLOR

### No Book Like This in the World at Any Price

This Bible is not a mere picture book. It is a genuine high art production, worthy of the Twentieth Century. In addition to the world-famed Tissot pictures in color are 600 illustrations, all exact copies of original paintings and drawings, which constitute the most wonderful gallery of Scriptural art in existence today—to this branch of the work, and at enormous cost, were called the greatest of living artists, and it is to their intelligent conception of the work and to their masterly skill in portrayal of Bible scenes that the superiority of this Bible over any yet produced is mainly due. Every picture is an eloquent sermon on those everlasting truths.

### Mail Orders

Every one of our many OUT-OF-TOWN Readers should take advantage of this great presentation. All you need to do is to enclose six consecutive certificates with the amount mentioned, and include 25 cents additional for postage or expressage.

### One Hundred of the World's Greatest Artists

Working under the advice of archaeologists and historians of wide renown, have contributed the choicest products of their skill and genius to produce this grand triumph of artistic beauty and perfection in historical detail. These pictures are not mere reproductions of medieval frescoes and more or less familiar modern photographs, inserted at random; they have been especially made, in the light of twentieth century knowledge, to illustrate selected texts in accordance with the matured beliefs of the greatest living theologians.

**MONTREAL, Oct. 7.**—Eddie Redford, of the juggling team of Redford and Winchester, will appear at the Orpheum for the balance of the week, as

Redford, who was arrested early Monday morning at Rouses Point on a charge of being a German spy, because he had a lot of dangerous-looking cannon balls in his trunk, reached Montreal yesterday morning, still in the custody of immigration officers.

The guardians of the border did not leave the suspected one until Manager George Driscoll of the Orpheum, had identified him and made the necessary explanation.

Redford was much ruffled in spirit, most of all because he is an Englishman. He and his partner are just con-

## OPENING HIGHWAY TO AID TRADE

CHATHAM, N.B., Oct. 7.—Special.—It is expected that business stimulus between Chatham and Bathurst

will result from the reopening of the old main highway between the two towns that had been abandoned after the advent of the Intercolonial Railway had put the mail coaches out of business about 1870. The highway makes the distance from Chatham to

Hathurst about 40 miles, where as the former road around the Tracadie coast makes the rip over 120 miles in length. The new road is expected to greatly stimulate business between the connecting towns and to draw the two centres together commercially. The road will also be an excel-

lent made speedway.

# A \$5 ILLUSTRATED BIBLE FOR EVERYBODY

## COMPLIMENTARY PRESENTATION

A great statesman said: "No library is complete without two certain books—the Bible and Shakespeare. Hardly a quotation in literature that is not taken from one of these books."

Every home needs a Bible, and one of convenient form. To appreciate this great book, it does not necessarily mean that one must be a church member or a religious man or woman, but it should be available for every one and often referred to, and often read here and there, as the most interesting of all books, as the book under the

teachings of which the wonderful development of civilization has been accomplished. It matters not how many Bibles you may have, you will also need this Illustrated Bible which illuminates—i. e., "throws light upon"—the particular text selected for illustration, and is beyond doubt the most beautiful, edition of the Bible that has ever been published.

Everybody in Belleville will be benefited by the exceptional educational presentation undertaken by The Belleville Intelligencer. There is an opportunity for every reader of The Intelligencer to possess this ILLUSTRATED BIBLE (Protestant or Catholic) with practically no effort.

## FOR EVERY READER OF THE Belleville Intelligencer

Henceforth the word, "illustrated," as applied to a Bible, meant merely a few allegorical "pictures" of Biblical events taken from any source, and carelessly placed in any part of the book, merely as embellishment inserts, but not directly alongside and explanatory of the verse intended to typify or make plain; but our publishers, at an outlay of \$50,000, prepared accurate illustration-INSIDIOUSLY of the VERSE which they accompany, and placed directly next to the verse of the verse described—the only place it can be looked for, or found quickly, the only place the illustration is a help to study-making this the FIRST and ONLY complete ILLUSTRATED Bible.

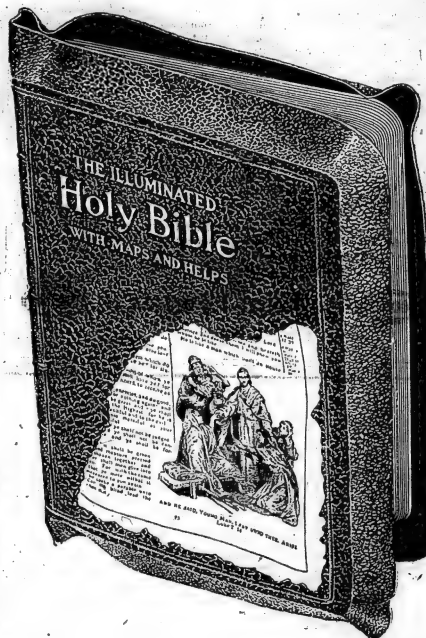

### COMPARISON

### IMPOSSIBLE

for our new Bible stands alone—there is no other of this kind. Therefore, praise of this superb new book means no disparagement of the many excellent editions published heretofore.

Events that have been imperfectly comprehended become lavished with the clarity of living reality; and places that have seemed far off are made familiar, as though we ourselves had trod the hills and valleys of these historic lands. It may be truthfully said that this really superb edition of the book of books has an important mission to perform, in illuminating and vivifying the Bible narrative and giving it as never before, a present, living, human interest.

# RUSSIAN BROTHERS TAKE POSITIONS

Battle of the Aene in Almost Doubt-  
Jacked Where For Vigorous Out-  
standing Movement on the North  
west Wing, Where Cavalry of  
both Armies are in a Mad Race  
to Reach the Coast.

LONDON, Oct. 8.—After desperate fighting six miles from the Bel-  
gian border, French and British ar-  
my yesterday defeated a large force  
of German cavalry which was striving  
to outflank the allies. The mounted  
troops of both armies have been  
engaged in a mad drive for the past  
two days, one to reach the French  
Belgian coast and the other to pre-  
vent it. The advantage gained yester-  
day by the allies is said to be of  
a continuous line opposing the  
Kaiser's army from Malines to Na-  
mure, and from Brussels westward in  
the general direction of Metz.

The official communication issued  
by the French War Department last  
night, announced that the general  
advance ordered by the French be-  
lieved that the British and French  
armies had met on the coast of the  
Scheldt. It was advanced on certain  
points.

The text is as follows: "Except on  
the west where the German ar-  
my has been repulsed there has been  
a steady advance along the coast."

"Our last night the German  
cavalry was held in check; the  
British and French forces were  
back. Between Chateau and Ross the  
ground previously held has been re-  
taken."

"On the coast we have our own  
right wing. The German army  
Gen. von Kink is still endeavoring  
to break through the French lines,  
and yesterday night repeated attacks  
were delivered in different points.  
Although he continues to hold the  
Belgian coast, he has been unable to  
make any definite inroads. In fact,  
the fortified positions of both armies  
would seem to be almost impenetrable,  
although the German advance  
yesterday acknowledged a retirement  
at certain points."

"Continuous fighting has been  
going on against our right wing have extended  
from the battle fronting from the  
north of Arras, west of Lille and  
west of Lens, from Valenciennes  
onwards. Our advance guards are in  
the hands of the German army."

"No decision has been reached as  
yet on either attack along the line  
between Arras, Albert and Ross.  
The fighting has been changed  
along the battle front between the  
of Verdun and in Alsace-Lorraine.  
The German army has been repulsed  
at certain points."

that this is a vital situation. In

## DOCTORS SAID JUST CUT OFF

by ad iron beam. Two fingers particularly were so badly smashed that the doctors said they would have to be cut off. Having heard of the wonderful healing power of Zam-Buk, I decided not to permit this, and I started to give Zam-Buk a trial. I had the fingers dressed with Zam-Buk every day.

The first few applications stopped the bleeding. But then, and it was soon evident that the wounded members were on the road to recovery. Day by day, I persevered, and by the time I had used eight boxes of Zam-Buk, the fingers and hands were entirely healed. I certainly feel deeply indebted to Zam-Buk. Just think! Four Dollars' worth of this wonderful ointment saved my two fingers.

If you are suffering from any injury, this ointment

chronic sore, benefit by the experience of Mr. Bernard, who gave Zam-Buk a fair trial! See Coupon below.

**WHY ZAM-BUK IS BEST**

As soon as Zam-Buk is applied to a wound or a sore it penetrates right to the seat of the trouble and lifts away germs, thus preventing local poisoning and other serious complications. It also kills the bacteria which cause the spreading. The soothing balm eases in Zam-Buk's action, it stops the pain, soothes the inflamed skin, and keeps the wound from becoming too hot. It then commences to build up new tissue, and the wound heals. Zam-Buk is healing, soothing, and new, and the finest household balm known to modern science.

For sore throats, sore mouths, sore eyes, sore ears, it is the most efficacious remedy. It cures chronic sores and wounds, cuts, bruises, burns, pimples, boils, old sores, chapped hands and all skin diseases and injuries. Also as an embrocation for rheumatic joints and sprains.

For sore feet and sore legs, and for all other ailments, it is the best remedy. For sore cuts and scratches and general sores, or postpains from any cause, Zam-Buk is the best. Remember there is only one Zam-Buk, the name is on the wrapper.

**EFFECTIVELY CHECKING**

St. Michel continue in the hands of the German army, but the French have driven the last unit far to the east, and the retreat toward Luxemburg is imminent.

Reducing the entire situation and taking into account the position of the allies from the Rhine, the French count on the Swiss border, it may be that the German army will be irretrievable can at any time show the German crossed the border.

It is apparent that the French onslaught has come a cropper, that the German army is in a bad way, that it is temporarily exhausted and will be unable to continue its advance. It is frustrated, and that the continued success of the French army is a serious point, with the new advance toward Metz and the dangerous danger of the German army crossing the border and imperiling the whole German scheme of conquest.

# TRAINING WILD ANIMALS TO ACT BEFORE THE FILM

Amiable wild animals, that until lately have hoped for fame only in the circus or on the vaudeville stage, have found a new field for occupation by their defeat. A private dramatic school has been established near Port Laid, New Jersey, which devotes its time exclusively to training beasts for the moving picture stage. The director, a young French animal tamer, first thought of teaching the jungle inhabitants to appear before the camera, and he immediately founded this school of wild animal acting. When a film requiring beasts is to be made, the animals are first trained regularly in their simple movements until the performance becomes a habit, then they can respond to the director's commands. The director, who is not a professional actor, may not be used by the trainers to make these creatures do the right thing at exactly the proper time for the camera lens. For this purpose, some scenes are rehearsed in the open with help to keep the stage and the entire length of a scene, or an episode, a check on the time when the film should jump out of a window.

## GERMANS ON OFFENSIVE

Allies Gain Ground at Some Points and Lose at Others.

Increasing Conflict Continues Along Entire Line Without Marked Result—Persistent Reports of Capture of Lille by Allies Are Current—Experts Believe That Kaiser's

LONDON, Oct. 24.—The German attack yesterday have undertaken a general offensive in the movement along the line extending from the River Yser, on the North Sea, to the River Meuse, and whither they have compelled the allies to give ground in some places they themselves have seized upon in others. This, in a few words, is what is gathered from official reports coming last night from the French and German headquarters.

The German attack yesterday was particularly severe in the west, where the wing, strongly reinforced by fresh troops, had adopted an advance against the Belgians, who are holding the allies' extreme left. This is

ed by British and French warships and by Anglo-French troops, which are "on the march from a point some distance from the bay." The British are in the La Deschamps Canal. Both sides claim successes, but the French alone admit that the British may have been compelled to fall back.

Generally, however, there is little or no change in the situation. "The weather is not so good as yesterday, but the same has been going on for weeks."

On Thursday, yesterday captured Alkiree, Upper Atlas, at the point of the bayonet.

A heavy battle is raging in Belgium, the chief outlet south of the Ghent-Bruges line and north of Roulers, according to *The Telegraph's* correspondent in Paris, Holland. Roulers is being surrounded by the Germans on Thursday.

"Fugitives from Roulers declare," says the correspondent, "that forty inhabitants of that town were taken by the Germans during the invaders' attack."

[illegible]

Heavy reinforcements have enabled the Germans to attack with increased vigor the right wing of the allied army in the Strassburg region, and the violent attacks upon the Belgians, British and French armies, which are retreating their advance over the coast and the regions of Belgium and northeastern France.

The forces of Crown Prince Wilhelm yesterday failed in a desperate attack upon the French army in the Meuse region and the Germans are striving to halt the advance of the French toward Etain, an important French commando, the railway to Metz.

Berlin's official day report says that the Germans were successful on the Meuse front, and that they advanced south of Dixmude, and attacked with success west of Lille, occupying a number of villages. However, reports that were unconfirmed are reported that Lille has been recaptured by the allies.

## THE CHILDREN'S HOME.

Our correspondents have brought forth an explanatory letter from Mr. Ritchie, who in the past has given much of his time and liberality of his means in connection with others in the furtherance and support of the Children's Home, whose opinion therefore is deserving of acutest consideration.

It also says may be correct that something should be done to secure the continuance of so commendable a charity as a home for the unfortunate and destitute children of the city.

No objection should be thrown in the way of those engaged in so charitable and commendable a work as providing for the care and education of those who are thrown upon the charity of the world, either from orphanage or from poverty, but neither as a right for public building is required for such a purpose.

## RETAIN YOUR MAN.

It is a well known fact that in the present time of war, the man who is a good worker is a valuable asset to the employer. The employer should retain his man, and the man should retain his employer.

Aviator's Plan to Carry off Helene Frustrated by Parents

A seventeen-year-old heiress of Boston, who had planned an elopement in an aeroplane, was hurriedly hauled out of her seat in the machine, and taken back weeping to her parents.

Her love romance began with an airplane ride with a handsome young pilot, who first became her tutor, and then, after many aviation lessons, he accepted her.

printed on another page, clipped on consecutive days, together with the stated amount that covers the necessary EXPENSE items of this wonderful display including clerk hire, cost of packing, checking, express from factory, etc., entitles you to your choice of the beautiful books described, below. This is no book with meaningless pictures. The illustrations serve a distinct purpose. They enrich the text, but they do more — they intelligently explain it, so that this hitherto obscure passage assumes to thousands a new meaning through these eye-teaching pictures.

\$5.00 Bible**

More than 100 of the world's greatest artists working under the advice of archaeologists and historians of wide renown, have contributed the choicest products of their skill and genius to produce this grand triumph of artistic beauty in historical detail. These pictures are not mere reproductions of medieval frescoes and more or less familiar modern photographs, inserted at random; they have been specially made, in the light of Twentieth Century Knowledge, to illustrate selected texts in accordance with the matured beliefs of the greatest living theologians.

The image shows the front cover of a Bible, bound in dark, textured leather. The title 'THE ILLUMINATED Holy Bible' is printed in large, ornate letters, with 'WITH MAPS AND HELPS' in smaller text below it. A central rectangular label features a detailed illustration of the Virgin Mary seated with the infant Jesus, surrounded by other figures. To the left of the illustration is a column of text, and to the right is another column. Below the illustration, there is more text and a small date '1850'. The cover is framed by a decorative border.

THE VICTROLA AND THE FAMILY—No. 3

# Father

says, "The Victrola has given more enjoyment to all of us than anything I ever bought--and at so comparatively small a cost too.

"I've made quite a collection of Victor Records already: Caruso, John McCormack, Melba, Tetrazzini and nearly all the great singers and musicians as well as Harry Lauder and a lot of other popular singers are kept pretty busy now, entertaining in my home.

"I tell you what! Brown and Jones and the other fellows have nothing on me now. They can't brag to me about their Victrolas and classy records any longer, because I've as good as they have."

## LITERARY NOTES

**BECK'S WEEKLY**  
Beck's Weekly, edited by Edward Beck, the man who employed - the artist, Edouard Bouchard, the near-est artist in the Quebec Legislature, and published in Montreal, is a unique publication and one that is growing in popularity throughout the Empire. While it is devoted to the promotion of beauty in the administration of public affairs, it is by no means obsessed of one view, but is made up of every conceivable kind of material. Among its numerous sketches and a department of intelligent is somewhat caustic comment on Canadian affairs. Among its contributors are several of the best writers and artists in Canada. It furnishes one of the most appetizing week-end reads and the most interesting and useful entertainment to be obtained anywhere. The price is \$2 per year, and the publishers will be pleased to send a sample copy upon request. Address: Beck's Weekly, 225 Craig Street West, Montreal.

**German Submarines at Rosbucge.**  
AMSTERDAM, Oct. 30.—(Via London.)—A despatch from Sluis, Holland, to The Handelsblad asserts that a series of several submarines have been sent from Germany by railway to Rosbucge, on the Belgian coast, where they will be put together and the boats then sent against the British fleet off Ostend. Strict secrecy, according to the Sluis correspondent, surrounds the German movements in Belgium.

**Britain Offered Aid.**  
AMSTERDAM, Oct. 30.—(Via London.)—The Nieuwe Rotterdamse Courant says it learns upon good authority\* that the British Government offered Holland pecuniary assistance for the relief of Belgian refugees in the Netherlands. Holland declined, saying she would bear the burden herself of a duty spontaneously undertaken.

**"War or Jail" Policy.**  
LONDON, Ont., Oct. 20. — Police Magistrate J. C. Judd is adopting "war or jail" policy in a number of drunkenness and vagrancy cases. A local man arraigned for insobriety yesterday morning was given the ultimatum and promptly enlisted for active service.

**MAPLE BUDS**

Mothers love to give their children Maple Buds, for their pure and wholesome nourishment, as much as the kiddies love-to eat them, for their rich, delicious, chocolate-goodness.

Maple Buds, being nothing but pure chocolate, cannot produce the ills that other sweets sometimes do.

ings when the door opened walked in. There was a shadow on Enoch's face while he offered a response, then he handed a manuscript from his pocket. His eyes turned angrily while he flattered it out before him. No unnecessary passed between them like the scene as you suggest and he turned carelessly. "A good of you." In his surrow showed an impulsive. He stretched out his hand and Enoch's response is no cordiality to Mercy's salute quietly through the slats. At this change in the play he asked brusquely, "What's that's what it might be." Enoch's voice was impassioned, a frown chased across his face. He was asking for it this time. "What's that?" he asked, and he up his mind to have a apt to be confoundedly. "I want it." Enoch's face was To Be Continued.
